

# SCHOOLYARD IN A PICTURE FRAME

Name \_\_\_\_\_ Date \_\_\_\_\_

- 1) Hold the cardboard picture frame in front of you and look through it. What do you see? What don't you see in this view? As best as you can, draw the part of your school yard that you can see through the frame.
- 2) Using your sketches, complete the tables below to help you in recall key things that you drew.

## First View

I drew this in my picture:	This is where it was located: (Be as specific as you can!)
<i>School Building</i>	<i>It was in front of the parking lot.</i>

## Second View

I drew this in my picture:	This is where it was located: (Be as specific as possible!)

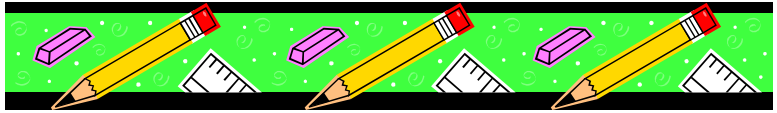

--	--

**Third View**

I drew this in my picture:	This is where it was located: (Be as specific as possible!)

**Fourth View**

I drew this in my picture:	This is where it was located: (Be as specific as possible!)
